

Erasmus for Young Entrepreneurs

As of February 1st, 2020, Eda is one of the organizations participating in the implementation of the Erasmus for Young Entrepreneurs programme. It is a cross-border exchange programme which gives new or aspiring entrepreneurs the chance to learn from experienced entrepreneurs running a business in other Participating Countries.

If you are a young or aspiring entrepreneur, or if you have your own business and want to host young entrepreneurs from other countries, you can get more information and apply for participation in the program at: <https://www.erasmus-entrepreneurs.eu>.

An initiative of the European Union
