---

**07.02.2024 - 09.02.2024  
SKOPJE, NORTH MACEDONIA**

# PROJECT DESCRIPTION

The project Road Map of Social Enterprises focuses on capacity building in the field of youth organisations and other actors to develop a durable tool, a map, website and application for networking, knowledge exchange related to social entrepreneurship with concrete examples of social enterprises and tools supporting cross-sectorial cooperation.

The goals of this project are:

- to develop the capacities of CSOs for using digital tools in the field of social entrepreneurship;
- to create a map as an educational tool with the aim to increase the knowledge of young people on social entrepreneurship and to raise their entrepreneurial mindset;
- to communicate the possibilities of digitalization on the social entrepreneurship development;
- for the MAP to become a tool of networking, enabling representatives of the various sectors to contact each other and to work together in the framework of social entrepreneurship and addressing youth unemployment.

The project includes eight organisations representing North Macedonia, Bulgaria, Serbia, Bosnia and Herzegovina, Montenegro, Albania, Kosovo, and Greece.
